

Holt County Sentinel.

Oregon, Missouri.

FRIDAY MORNING, FEB., 22, 1867.

BUSINESS NOTICES in this column, twenty-five cents per line.

Much valuable matter, for want of room, is deferred until next week.

ADVERTISEMENTS or notices not marked with the number of insertions, will be published until forbid and charged for accordingly.

WANTED.—By a young man, a situation on a farm. For further information, address or apply at this office.

Sewing Machines.

Good bargains in sewing machines, of all the celebrated manufacturers, may be had by applying at this office. Call and get price lists and specimens of work.

A City Election.

The time for holding a city election is again approaching. Is it not time to bring out a few candidates for Mayor—say twenty-five or thirty? Let us have a legal election, and let us elect live energetic men to office.

Effects of the Thaw.

Many of the streams north of this place are said to be overflowing their banks. Travel by stage on the route to Council Bluffs, owing to this and to the terrible condition of the roads, has been near suspending for a week past. The freezing weather which set in yesterday, however, may improve the condition of the roads.

Old Friends Again.

Somehow people always like to see old friends, and this reminds us that that old friend of the public, S. HERSHBERGER, has gone back to his old stand again, having purchased Mr. LEHMER'S interest in the firm of Kreek & Lehmer. We welcome you back to our business circle, friend HERSHBERGER, and are sure your old customers will not fail to join in the welcome. By the way, those who want to buy goods or sell country produce, should not fail to read the new advertisement of Messrs. Kreek & Hershberger, in another column.

Who Wants to go to College?

I have a perpetual scholarship in the Farmer's College to dispose of. The college is situated three miles north of Cincinnati, on College Hill, and is one of the best institutions in the Union. For particulars apply to CHAS. W. BOWMAN, editor of SENTINEL, or to R. D. MARKLAND.

Oregon, Mo. 33-4t

Come up my friends, a dozen take.

Of photographs, for other's sake.

Yes, this is the idea, you should all walk in right away to RULEY'S Photograph Gallery, and have your likenesses taken for fear you "drop off" one of these days and we all forget what you looked like. They don't cost much.

Office, in Drug store.

31-4t

The New York Musical Pioneer, in an impartial notice of the musical instrument manufacturers in this country, says that the interior finish and mechanical work of the American Organ, manufactured by Messrs. S. D. & H. W. Smith, is admitted by all to take the first rank.

CHAS. W. BOWMAN, is the agent at Oregon, Mo., and will give prompt attention to orders for the above instruments.

IMPORTANT TO MOTHERS.—Mrs. Whitcomb's Syrup for teething, is certainly an admirable preparation. Its powers are positive as the sunlight from heaven, and gentle and soothing as an angel's whisper, charming as it were the most irritable and restless of these tender buds of the human family into quiet and sweet repose. Mothers, as you love your offspring, use it. It costs only 25 cents a bottle, and is for sale at all drug-stores. N. B.—Be sure and ask for Mrs. Whitcomb's.

What made Barnum rich? Advertising. What sold our Government bonds? Jay Cooke's Advertising. What made Bonner's Ledger? ADVERTISING. What made A. T. Stewart's fortune? ADVERTISING. What sold 210,000 tickets in the Crosby Opera House scheme? ADVERTISING.

Special Notices.

Know thy Destiny.

MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrist, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomicrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can attest. She will send when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing fifty cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications strictly confidential. Address in confidence, MADAME E. F. THORNTON, P. O. Box 223, Hudson, N. Y. H331y

Wonderful but True.

MADAME REMINGTON, the world-renowned Astrologist and Somnambulist Clairvoyant, while in a state of trance, delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomicrope, guarantees to produce a perfect and life-like picture of the future husband or wife of the applicant, with date of marriage, occupation, leading traits of character, &c. This is no imposition, as testimonials can attest. By enclosing a small lock of hair, age, disposition, color of eyes and hair, and enclosing fifty cents, and stamped envelope addressed to yourself, you will receive the picture by return mail, together with desired information.

A YOUNG LADY returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse, rustic, dusky face, she had a soft, ruddy complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combinations, Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, and healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price \$1. sent by Mail or Express, on receipt on an order by W. L. CLARK & CO., Chemists, No. 3 West Fayette st., Syracuse, N. Y. The only American Agents for the sale of the same. H331y

AMERICAN ORGANS.

The American Organs, are the only real reed Organs now before the Public. The only Organ having a

Reverberating Sound Box, or

Which has the same important part to perform as the Sounding Board has in the Piano Forte, (to give body and resonance of tone) and without which the Organ becomes merely a Melodeon in an Organ Case.

The American Organs not only have the Wind Chest or Sound Box, but have the large Organ Hollows, giving power and great steadiness of tone. These with their extreme fine voicing of the Reeds and perfecting of the tone, make them the

Most Perfect Organs Known.

The improvements, with superiority of tone and workmanship, place the American Organs in the front rank as the best, and they command a higher price than any other reed instrument in the market.

These Organs received the First Premium at the great St. Louis Fair in October.
